*Credit provided is discretionary and includes applicable taxes (based on the taxes levied in the province of supply) therefore the value displayed on your bill is the value before tax. For example, a $10 discretionary credit offered in ON includes $1.15 HST, meaning the credit value displayed will be $8.85. The $1.15 HST is captured as a reduction in the amount of tax charged on your balance owing. For more information, please visit www.telus.com/billcredits.

Update on your service term
We want to let you know that your commitment period for at least one of the lines on your account will expire in the next three months. Visit www.telus.com/mytelus for full details. Your service after the commitment period will continue on a month-to-month basis on the same terms, and you can cancel service for those lines at any time without cancellation fees. If you continue service, the current service terms will apply, and can be reviewed at www.telus.com/mobilityserviceterms. As indicated on your original agreement, promotional features will not be renewed. You can easily go online to review your options to modify your rate plan or upgrade your device at the end of your commitment period.

Service Terms Update
Effective July 15, the Service Terms are amended to provide that discounts, promotions, benefits and credits are earned for each full month of service and do not apply to partial billing periods. For example, if service is cancelled before the last day of your billing cycle, no credits will apply to the billing cycle.
