Messages and Updates

*Credit provided is discretionary and includes applicable taxes (based on the taxes levied in the province of supply) therefore the value displayed on your bill is the value before tax. For example, a $10 discretionary credit offered in ON includes $1.15 HST, meaning the credit value displayed will be $8.85. The $1.15 HST is captured as a reduction in the amount of tax charged on your balance owing. For more information, please visit www.telus.com/billcredits.

**Discounts, promotions, benefits and credits are earned for each full month of service and do not apply to partial billing periods. For example, if service is cancelled before the last day of your billing cycle, no credits will apply to the billing cycle.

Pre-authorized Payment Notice
Starting in October, pre-authorized payment processing will occur approximately 4 business days earlier due to billing system updates. If you are enrolled for pre-authorized payments, your subsequent bill will reference the new withdrawal date. No action required on your part.
